Participation criteria

- A maximum of 03 (THREE) athletes from each country can be registered per event;
- Participation of a minimum of 04 (FOUR) athletes from 03 (THREE) countries is required to confirm the event at the time of entry by name. Events that do not meet this criterion WILL be combined or cancelled. B1 or B2 events that do not meet the criterion will be combined “up” with the similar B2 or B3 event. B3 events that do not meet the criterion will be combined with the similar B2 event if the B2 event has fewer than 8 B2 entries and the combined event meets the minimum participation criterion; otherwise the B3 event will be cancelled;
- In order to participate, the athlete must have at least 01(ONE) minimum standard established in an event of the program;
- Minimum standards obtained will be counted from 1 September 2013 - 22 March 2014 (times are only recognised if the athlete was already IPC licensed at the time of the achievement);
- Each country can have 01 (ONE) relay team per event;
- If fewer than four athletes appear for an event that originally met the minimum participation criterion at final entry, the minus one rule will be applied for medals.
- Each country is required to bring its own escort athlete for competitions.
